

**CITY OF GUSTAVUS, ALASKA
RESOLUTION NO. 2014-17**

**A RESOLUTION BY THE GUSTAVUS CITY COUNCIL BY-PASSING THE
COMPETITIVE BID PROCESS AT THE REQUEST OF THE GUSTAVUS ROAD
MAINTENANCE COMMITTEE**

WHEREAS, the Gustavus Road Maintenance Committee seeks a solution to the winter condition of Gustavus roads and presently of Chinook road, and

WHEREAS, after many months of research, the Road Maintenance Committee asks to conduct an experiment on Chinook by asphaltting this heavily-utilized road, as a basis for further study by the Road Maintenance Committee, to provide important information if in the future, the Road Maintenance Committee decides to ask the City Council to initiate the process of hiring a Project Manager to develop an overall plan for the roads in Gustavus, and

WHEREAS, Gustavus (Main) Road and Mountain View Road will receive an overlayment of asphalt in the spring of 2014 by Secon, an Alaskan-based construction company through funding by Alaska DOT/PF, and

WHEREAS, the Road Maintenance Committee has deemed the competitive bid process to be impractical because Secon will be working in Gustavus in the spring of 2014, and will have the material necessary to overlay a short section of the road without excessive cost to the City, and

WHEREAS, the cost for the overlay of asphalt for the section of Chinook from Mountain View Road east approximately 260 feet will cost \$16,000.00, an amount available in the FY14 road maintenance budget, and now therefore be it

RESOLVED, The Gustavus City Council agrees that competitive bids would be impractical in this particular case and approves the use of road maintenance funds from the FY14 budget to pay for said asphalt paving.

PASSED AND APPROVED by the Gustavus City Council this ____ day of _____, 2014.

Sandi Marchbanks, Mayor

Noël Farevaag, City Clerk/Treasurer

**Defeated due to lack of voting
Council members in attendance.
