Steller Botanicals Policies & Procedures for Covid-19

These are fast changing times and in a small town, I want to do my best to make sure Steller Botanicals is not a vector for disease transmission.

Health Consultations are by phone or outdoors, please call or text Jen at 907-209-6180 to schedule a consult.

Bodywork is not being scheduled at this time.

Garden Supplies, Electric Fencing, Food Preservation Tools, & Herbs: are available by pre-order at: <https://gustavusgrownstore.com/> to pre-order items and pay for them. Jen will fill orders on Wednesday and Saturdays and leave them outside the shop for pick up.

Garden Starts & Produce are available by pre-order this spring and summer. Contact Jen for a list of starts or produce. We will send out weekly email updates of what is available, contact Jen 907.209.6180 to be added to our harvest list.

One family unit at a time MAY be allowed inside the shop, if they are wearing masks. This will depend on the progress of the virus and anyone may be denied access at any point. Thank you for your being considerate of those who may be vulnerable and my space which is used to provide remedies for such folks.

Thank you for keeping one another healthy! Jen & Larry Landry
