Dear Fellow Gustavus Residents, Guests, and Visitors;

On May 12, 2020, the State of Alaska COVID-19 Health Mandate 018 went into effect for intrastate travel. This Mandate 018 supersedes Mandate 012 Attachment B and Mandate 016 Attachment M. As a result, recent actions taken by the city may have been superseded by State of Alaska COVID-19 Mandate 018. Specifically, City of Gustavus Resolution CY20-13 also known as City of Gustavus COVID-19 Rule 2 as it pertains to quarantine for intrastate travel into Gustavus and the requirement for a City of Gustavus Travel Declaration Form may not have full force and effect.

Please be advised that all direction for social distancing and wearing of facemasks remain in effect.

The City Council has scheduled a special work session for May 20, 2020 at 5:30 pm to discuss a postponed draft resolution and next steps that the City of Gustavus will take in responding to changes in State of Alaska COVID-19 Health Mandates as necessary to protect the health and welfare of residents, guests, and visitors of Gustavus.

I appreciate your patience in this quickly evolving situation. On behalf of the entire City Council and Staff, thank you for keeping all of ourselves safe and healthy by maintaining personal distance, wearing facemasks when in close public spaces, and frequent hand washing.

Thank You,

Calvin Casipit

Mayor – City of Gustavus
